Applicability of Personnel Policies

Except where expressly provided to the contrary, personnel policies apply uniformly to the employed staff of the District. However, where there is a conflict between the terms of a collective bargaining agreement and the District's policy, the law provides that the terms of the collective bargaining agreement shall prevail for the staff covered by that agreement.

When a matter is not specifically provided for in an applicable collective bargaining agreement, the policies of the Board to effectively and efficiently manage the District shall govern.

Classified employees are employed at will and the District policy manual is not intended to and should not be considered to express or create a term of an employment agreement. The provisions of this policy manual do not create a property right which would modify the District's right to terminate the employment relationship of classified employees at will.
