Gooding Businesses, Community, and Fans,

I am so honored and excited to serve as the new Athletic Director at Gooding High School. After having been here for the past year, I have already grown to love the athletes and families of this wonderful community. I believe that a high school sports program has a profound effect on the educational experience of students, families, and the student body. For the 2022-2023 school year, I am challenging our athletes, coaches, and parents to “Raise the Bar.”

As we prepare for the upcoming school year, we are busy making sure that we have the funding needed to take care of our student-athletes. Our goal is to be thrifty with our funds and also ensure that our kids enjoy high quality programs and opportunities. To that end, our business and community sponsors play an essential role in providing the resources needed for our kids to participate. We use these funds to pay for uniforms, officials, state tournament hotels, staff training, field paint, first aid supplies, ticket takers, game films, and much, much more. It couldn’t be done without your generosity!

We hope you will strongly consider being a partner with GHS Athletics for the 2022-2023 school year. Please look over the different options and see what works for you. Thank you and “Go Senators!”
